

Storybook Maltese

AKC Champions • Health-Tested • Fairytale Beginnings

Welcome!

I am so glad you're here. This little collection comes with a whole lot of love, and it's my way of sharing a bit of the Storybook Maltese world with you, whether you already have one of my puppies curled up beside you, or you're still dreaming about the day you will.

Everything inside was made to be enjoyed, shared, and used freely. No strings attached, just a gift from our family to yours.

Inside Your Free Storybook Maltese Digital Collection

Screensaver Collection

A heartwarming set of Storybook Maltese photographs, gathered from champions, puppies, and treasured family memories across the years. Every photograph in the Screensaver Collection features real Storybook Maltese puppies and champions from more than twenty years of our breeding program.

Storybook Desktop Art Collection

A collection of original Storybook Maltese artwork, featuring dreamy, fairytale-inspired scenes designed to bring a little whimsy to your desktop.

Exclusive Storybook Maltese eBook

The Storybook Maltese - Everything Your Puppy Wishes You Knew. My complete guide to raising a happy, healthy Maltese, built from two decades of lessons, love, and lived experience.

Getting Started

Full step-by-step instructions for setting your desktop wallpaper and screensaver are in the included Installation Guide. Both are simple, and neither takes more than a couple of minutes.

A Note From Barbara

Every puppy I've ever raised has taught me something. This little gift is my way of sharing a piece of that journey with you, whether you're already part of the Storybook family or simply love this wonderful breed as much as I do. I hope it brings a smile to your day.
